5th and 6th Floors, OPIC Building, Oke-Ilewo, Abeokuta, Ogun State · registration@ogserc.gov.ng

REGISTRATION EVALUATION FORM (OGSERC/EVAL-01) — INTERNAL

Acknowledgement No.	OGSERC/ACK/2026/00001
Registrant	Ogun Sunrise Mini-Grid Ltd
Category / activity	E — Mini-grid / interconnected mini-grid
Evaluating officer	Evan Evaluator
Reviewing supervisor	Sade Supervisor
Approving officer	Ade Approver
Date evaluation started	22 October 2026

STAGE 1 — RECEIPT AND SCOPE

1.1	Acknowledgement number issued and submission entered in the Register	Y (auto)
1.2	Correct form used: REG-01 for operators; OUN-01 for own-use 200 kW to <1 MW	Y
1.3	Applicant carries out, or proposes to carry out, an activity in para 3(1)	Y (auto)
1.4	Not excluded under para 3(3) (federal transmission, grid-only sales, own-use <1 MW)	N/A (auto)
1.5	Register searched: no existing registration under the same CAC number	Y
1.6	One registration covers all the applicant's activities and locations in Ogun State	Y
1.7	Multi-State licensee: submission limited to Ogun State operations	Y
1.8	Submitted on time (60 days from Effective Date / 30 days before start)	Y
1.9	If late: days late recorded and Schedule 3 Part B late charge calculated	Y

STAGE 2 — SCHEDULE 1 FORM

2.1	A. Identity: name, CAC number, date of incorporation, TIN and addresses	Y
2.2	B. Ownership: shareholders ≥5%, directors and beneficial owners	Y
2.3	C. Contact: managing director and compliance officer with phone and email	Y
2.4	D. Licences: every licence listed with authority, number and dates	Y
2.5	E. Activities: all ticked; one primary activity; start date given	Y
2.6	F. Service area: LGAs, towns, estates, feeders; cross-boundary (multi-State)	N/A
2.7	G. Generation assets: plant, location, MW, fuel, connection point	Y
2.8	H. Network assets: substations (MVA), feeders (kV, km), transformers (kVA)	Y
2.9	I. Customers by class, metered/unmetered; top 20 customers	Y
2.10	J. 12 months of energy received, sent out, billed; billing and collection	Y
2.11	K. Tariffs by class and band, approving authority and order reference	Y
2.12	L. Contracts: PPAs, gas, bulk supply, bilateral and franchise	Y
2.13	M. HSE: incidents, fatalities and outages >24 h in last 24 months	Y
2.14	N. Confidentiality claims stated with reasons (if any)	Y
2.15	O. Declaration signed and dated by authorized signatories; seal affixed	Y

STAGE 3 — SCHEDULE 2 DOCUMENTS

3.0	All Schedule 2 documents received or not applicable	Y (auto)
3.1	Outstanding documents listed with reasons and acceptable completion date (12(4))	N/A
3.2	Non-corporate applicant: equivalent documents provided (12(3))	Y

STAGE 4 — VERIFICATION

4.1	CAC details verified on the CAC public search	Y
4.2	Licence numbers and dates confirmed with OGSERC records and NERC's register	Y
4.3	Licence not expiring within 6 months of Effective Date (else renewal reminder) (8(5))	Y
4.4	Installed capacity agrees with single-line diagram and asset register	Y
4.5	GPS coordinates within Ogun State and the LGAs stated	Y
4.6	Customer numbers agree with the enumeration summary	Y
4.7	Energy balance plausible; loss and collection rates calculated	Y
4.8	Tariffs agree with the approved tariff order or schedule (8(2))	Y
4.9	Unlicensed operator: tariff not above Effective Date level (18(1)(c))	Y
4.10	Supply sources consistent with generation assets and energy received	N/A
4.11	Service area checked against DisCo franchise maps for overlap (18(3))	Y
4.12	Any fatality or serious HSE incident referred to technical/safety unit	Y
4.13	Site inspection completed, or not required (22)	Y

STAGE 5 — CATEGORY AND FEES

5.1	Category agrees with activities and capacity (highest applies) (17(1))	Y
5.2	Payment confirmed by Finance against designated account (17(1))	Y
5.3	Waiver or reduction approved in writing (17(3))	Y
5.4	Late charge correctly calculated and within Schedule 3 cap (19(1)–(2))	Y
5.5	Fees and charges paid in full	Y (auto)

STAGE 6 — CONFIDENTIALITY

6.1	Confidentiality claims logged, decided and applicant notified (15(3))	Y
6.2	Information treated as confidential pending decision (15(3))	Y
6.3	Personal data handled under the NDPA 2023 (15(4))	N/A
6.4	Public Register fields confirmed (15(2))	Y

STAGE 7 — REGULATORY FLAGS

7.1	Unlicensed: licence application due date recorded and communicated (18)	Y
7.2	Overlap with licensee's area referred for determination, notice and hearing (18(3))	Y
7.3	Multi-State: ring-fencing plan, licence application, boundary register noted (7(3))	Y
7.4	No suspected false information (else referred; show-cause first) (19(3), 20)	Y
7.5	Own-use site of 1 MW+ on OUN-01 directed to REG-01 (3(3)(c))	Y
7.6	Register data flags reviewed and resolved or explained	Y

RESULT AND DECISION

Checks satisfied / failed / N/A / pending	50 / 0 / 5 / 0
Recommended outcome (automatic)	Register (13(1)(a))
Final decision	—
Reasons / comments	All documents verified against originals.
Registration No.	—
